...How About Accelerator and Move Point?

Oh,
shut
up.

Isn't your
hair too
long?

On a Mission

So confused

Rebelling Together Continues

The Root of the Problem

So Let That Hand Go.
No, Seriously.

I WILL KILL
YOU LATER
CHIMIKAD

OK

A-anything!
You don't
have to
hold my
hand!

Pull!

At any
rate.
Musujime
your hand
is teeny

What
is this.
Is it
real?

...

Oh dear
She was
already at
her limit.
but that
last line
was the
breaking
point!

Heaven.

A hand
pull!

Boom!

Let's Do The Mission

Wh-wh-wh-what' s his problem?! I can' t
believe him, I don' t understand it
at all! Take the time to learn about your
ally' s powers! And you' re so lanky, who
are you to say if hands are big or not!
I hate this! And what' s up with him not
even getting embarrassed?! Is he really a
lolicon like they say?! What the hell?!
Stupid! Idiot!

Blush~

Awawa...

Musujime' s "Move Target"
can even move things
she doesn' t touch. But
there IS an exception.

That so.

When she has to teleport
an esper with powers
over level 4, she has
to hold their hand.

That so.

Shut up,
I don' t
need a
reason.

But
man,
that' s
a troublasoma
power.

Hah?
